

## QUALITY POLICY

AmSpec Brasil's policy is to serve our customers, meet their needs, and exceed their expectations.

AmSpec Brasil's Management is committed to:

- Providing inspection and laboratory analysis services with a commitment to good professional practices, quality, reliability, and impartiality, meeting applicable requirements, regulations, and national and international accreditations;
- Agility in service aimed at customer satisfaction;
- Maintaining qualified personnel, developing and cultivating a culture of quality behavior, striving for continuous improvement of the Quality Management System, with a focus on results.
